Dear Stacy,

We are so grateful to you and the employees of Auburn Mechanical Inc.. Thank you for partnering with Safe Crossings Foundation with your donation of \$5,112.78, made on 3/22/2023. Because of your partnership, we can expand our reach and help grieving children across the Puget Sound region. Your donation is helping children and teens access the free support they need to heal and thrive after the loss of a loved one.

For over 30 years, Safe Crossings Foundation has helped grieving children by funding a variety of free programs including those that specialize in counseling, art therapy, and camps. With one in eight youth losing a parent or sibling before the age of 25, your support is vital to making sure these programs are free and accessible.

Because we are a registered 501(c)3 organization, the full amount or a portion of your donation may be tax deductible.* Again, we thank you for your support in helping to make the world a better place.

Thank You

Karen Schrantz
Executive Director
